

CoMS 2020 Construction Materials for a Sustainable Future 2nd International Conference

15th to 17th April 2020, Bled, Slovenia

Sponsorship Opportunities

Dear sponsor!

From the 15th to 17th April 2020 the 2nd International Conference on Construction Materials for a Sustainable Future (CoMS_2020) is organized by ZAG – the Slovenian National Building and Civil Engineering Institute alongside co-organizing institutions the University of Zagreb, Faculty of Civil Engineering, the University of Novi Sad, Faculty of Technical Science, and the BAM – Federal Institute for Materials Research and Testing will be held in Bled.

The scope of the conference is to address the importance of sustainable development for our future wellbeing, given that the building and construction sector is one of the main contributors to climate change.

The CoMS_2020 conference will attract between 150 and 200 delegates working in the fields of innovations in materials and technologies, material – environment interaction, sustainable design, construction and maintenance, energy efficiency, recycling, and remediation, inspection, monitoring, assessment and repair, modelling from nano to structure, innovative components for a healthy, comfortable and sustainable environment, social and economic aspects of the building environment and digitalization and automation. All delegates attending the conference will be engaged directly in the subject and many are employed in key positions, making this an ideal opportunity to increase your presence in the industry.

By attending this very important event, you will have the opportunity to network with your key targets in a relaxed yet stimulating environment. The high quality, interesting program in conjunction with the social program makes this a very important business networking opportunity.

Your support of CoMS_2020 will directly assist the professional development, knowledge transfer and research activities within these very important societies. Through your support of this conference, you will gain exposure for your organisation and further align your organisation at with the many and varied members of construction and building research society and industry.

The Meeting will provide the perfect platform to demonstrate your equipment or to promote your services. The hands-on approach to sales is often the most powerful!

Gain valuable knowledge and establish key contacts that will be able to help you build your business after the conclusion of the event.

The selection of sponsorship packages featured in this prospectus varies in commitment levels thus providing marketing solutions for any size organisation. In addition to the set packages outlined, sponsorship can be tailored to meet your specific business objectives. Whatever your business, CoMS_2020 has a sponsorship package that will show your commitment to, and position in the industry.
